Techno-tainment Camp is proud to return to Beverly Hills for its 6th summer of innovative fun and learning. Children choose a cool track for one week of camp, and off they go creating their own video games, movies, cartoons, websites, robots and much more! This summer, Techno-tainment has new programs, computers, network games, and projects for our campers to enjoy! And as always, we mix our camp days with a healthy blend of indoor and outdoor activities! Seats fill up fast, so please don't wait.
