Celebrating its sixth summer of fun, PlanetBravo's Techno-tainment Camp is back in Redondo. We not only work with amazing entertainment technologies through our one-week camp sessions, we celebrate the talents of our creative kids. Whether they're making video games for their best friends to play all summer long, or producing movies that are funny, scary or even filled with special effects, our Techno-tainers learn multimedia skills that are important in today's technological world! This summer, students leave with their own private place on the web! *Seats fill up fast, so don't hesitate!*
