# Command Center

Open 7 Days a Week: 11am - 9pm  
1105 Gayley Ave. in Westwood

Unlike anything you've seen before, PlanetBravo is proud to introduce its very own media resource center! Our "Command Center" is a giant computer lab filled with the latest and greatest technology.

## JUST LOOK AT SOME OF THE RESOURCES WE HAVE

- \* Amazing Multimedia and Productivity Software
- \* Digital Projectors
- \* DVD Duplication, Copy Machines, Fax and other office tools
- \* Video and Still Digital Cameras for lab use
- \* Green Screen for Special Effects
- \* Fast computers that are spyware and virus free!
- \* A Karaoke Stage? (Yep, we have that, too.)

Our lab is more than just a place to learn computers. It is a FUN place to get help with your projects! Even if you're not taking one of our classes at local schools or our Command Center, bring your project ideas to our lab and one of our Mission Control specialists will show you how to get started on your own.

You can save so much time, energy and money by visiting our lab. Instead of hiring someone else to do it, come get help at our Command Center and do it yourself for only a fraction of the cost!

**Best of all, if you register for any course in this catalog, you will receive an access card to our lab!**

## DO YOU WANT TO:

- \* Edit your own video for school, work, or home? \* Mix music for a presentation?
- \* Design a Flyer/Brochure? \* Prepare a slideshow? \* Transfer your home video to DVD?
- \* Make your own web page? \* Make a special gift for someone?

All Ages  
Welcome!

We not only make it possible, we make it easy. What's best is, you learn while we help you do it!

# Have Fun this Spring Break!

**March 27-31 / April 3-7  
April 10-14**

"My kids begged me to get them to camp early and actually ran into the classroom to get started each morning. I would pick them up at the very end so they wouldn't miss anything and be mad at me!"

- Ilene K., parent, Beverly Hills

**L**et's face it. We all want to have fun during spring break, right? If you don't already have plans, why not come to a place where everyone is having a great time creating really cool stuff?

At Spring Bravo! Spring Break Camp, you can choose a fun course and spend a week playing and using your imagination!

As always, we mix indoor and outdoor activities for a well-balanced experience! This camp provides the best of both worlds: important technology education combined with lots of FUN!

## Spring Bravo! Camp AT A GLANCE

# Camp Options

Consider using one of these courses to get some spring break homework done! You don't have to, of course, but why not? Have fun AND do work. It's too good to be true.

## Celebrity for a Week

Students become the stars of their own Digital Art! Using green screens and special editing tools, students create dozens of projects that put them in pictures, songs and movies with their favorite celebrities!

<u>Course IDs</u>	<u>Half-Day</u>	<u>Full-Day</u>
<b>March 27-31:</b>	12214-1a	12214-1b
<b>April 3-7:</b>	12214-2a	12214-2b
<b>April 10-14:</b>	12214-3a	12214-3b

## CLAYMATION CREATION

Using video cameras, computers and LOTS of clay, students create 3D claymation movies just like "Wallace and Gromit!" Do your homework at camp while making a clay movie for that book report due after break!

<u>Course IDs</u>	<u>Half-Day</u>	<u>Full-Day</u>
<b>March 27-31:</b>	12225-1a	12225-1b

# After-School Fun

**After-School Classes  
Monday-Thursday**

**W**e believe that in order for students to reach their full potential, technology must play a role in their lives. Our multimedia courses are unlike most found in any schools. We not only help children learn computers, we encourage them to use computers to learn

**Enroll Now on Page 10.**

**B**eginning in April, students in Grades 3-8 have a new exciting option for after-school enrichment. In addition to our programs offered in local labs such as Santa Monica's elementary schools, PlanetBravo offers after-school classes at its Westwood Command Center Monday through Thursday.

Students get dropped off right at our door and are treated to an hour and a half of fun and important technology lessons.

Too much homework already, you say? Exactly. That's why our after-school program teaches students digital options when completing their school assignments. Our goal is to make school work easier and more engaging!

Check out our course schedule below or visit our website at [www.planetbravo.com](http://www.planetbravo.com)

# After-School Courses

**The Digital Homework Project: (Grades 3-8)** Dedicated to helping today's students get the most out of their education using technology. Students learn dozens of new skills that assist them with their homework in fun and productive ways. Bring homework! We combine word processing, internet, graphics and more to give you great results on your work!

**Hollywood for Beginners: (Grades 3-5)** For those up-and-coming young movie stars, Hollywood for Beginners offers children the opportunity to be actors, directors, film crew, editors and MORE in a very cooperative and fun way. Each child receives a DVD copy of their finished project at the end of the course.

**Smart Surfing: (Grades 6-8)** The world wide web is full of important and useful information. The key is knowing how to find it safely! Students in this course learn how to surf the web wisely and responsibly while working towards school assignments. This course is sponsored by i-SAFE America, the leader in Internet Safety Education. Internet filtering is in effect on our entire network.

**School is Play: (Grades 6-8)** Do you love to play video games? Learn how to make your very own using fun and easy game design software. This course is for students who have never designed video games and want to learn how. Parents – this course is a tremendous exercise in mathematical skills and the work done can easily be applied to school projects!

**Razzle Dazzle: (Grades 3-5)** Many of us struggle with presentation skills and public speaking. Today's technology makes it easier and we are here to help. Students learn a wide range of multimedia presentation skills including using slideshows, animations, video and music. By the end of the six week course, students will have more options when delivering presentations!

# This Summer: A New Type of Techno-tainment!

**Y**ou heard it right. Our popular Techno-tainment Summer Camp has grown! Now, in addition to our traditional camp locations in Beverly Hills and surrounding cities, we introduce TECHNO-TAINMENT MASTERS!

This camp is held at our Command Center in Westwood and is for the serious Digital Artists and Entertainment Junkies! We not only focus on more advanced tools and concepts, we explore entertainment off-campus with a chartered bus field trip each week to a local Hollywood studio!

## Techno-tainment Masters AT A GLANCE

**Who:** All students entering Grades 6-10

**Where:** PlanetBravo's Command Center in Westwood!

**When:** 8 sessions / June 26 - Aug. 18, 2006 / 9am-5pm M-F

**Cost:** \$550 (1 week) / \$450 (each additional week)

**SPECIAL NEW CLASSES AT TTC MASTERS:** Digital DJ, RoboHead, Special FX, Game Programming and much more!

The only requirement to attend this version of Techno-tainment Camp is that you are the appropriate grade level. You do not need prior Techno-tainment experience from our other locations.

Make sure you visit our website at [www.planetbravo.com](http://www.planetbravo.com) and look for our summer flyer coming in March!

## ABOUT US

**P**lanetBravo is a new media program developed by award-winning educator Danny Pezzotta, founder of Techno-tainment Camp in Beverly Hills. Since 1998, Danny has run after-school programs and technology summer camps that have emphasized fun, relationships and innovation. Techno-tainment Camp was awarded a California Recreation and Parks Society Achievement Award in 2003, and Danny has received awards from local, state and national organizations for his teaching.

PlanetBravo is the answer to the dozens of parents who asked, "Now that camp is over, what do we do the rest of the year?" We are happy to offer our resource center and the diverse and important courses to individuals of all ages.

We employ dozens of trained instructors throughout the year at our Command Center and camp locations. Adults and children will find us to be friendly, knowledgeable and FUN! We are here to make a difference in how people use technology in their lives. Come check us out!

### COMING SOON
